COMMENTS ON EXAMINER'S REASONS FOR ALLOWANCE

Applicant recognizes that in accordance with M.P.E.P. § 1302.14, the Examiner's reasons for allowance need not set forth all of the details as to why the claims are allowed. In the above-referenced application, Applicant does not concede that the Examiner's stated reason for allowance – "Applicants are the first to disclose alloenzymes of human S-adenosyl-L-methionine:arsenic (III) methyltransferase of SEQ ID NO:5, their encoding DNA molecules and the sequences that may be used as probes specific for allelic variants." – is the only reason for which the claims are allowable.

Respectfully submitted,
